Supplemental Retirement Plan (Savings Plan)

RETIREMENT DISTRIBUTION AND PAYOUT OPTIONS

When you terminate your employment with Parkland, you may select the form of payment you would like from the options below.

❑ Direct Rollover To An Individual Retirement Account (IRA) Or Qualified Plan.

You can transfer some or all of your vested account balance directly to another qualified plan or to an Individual Retirement Plan (IRA). Taxes will not be withheld from the amount directly rolled over and the distribution check for such amount will be made payable to the qualified plan or IRA.

❑ Roth After-Tax And After-Tax Rollover Information:

If your distribution contains Roth after-tax or after-tax contributions, verify with the recipient of the rollover that Roth after-tax and after-tax contributions can be accepted. If you terminate and roll over your Roth account to a Roth IRA before meeting your 5-year clock, the 5-year clock is based on the effective date of the Roth IRA.

❑ Lump Sum.

You receive a single payment for the total amount of your vested account balance, as opposed to a series of periodic payments. Under this option, an automatic 20% federal income tax withholding will apply. If you have not reached age 55 at the time you stopped working for Parkland, your benefit payment will be ordinary income and may be subject to an additional nondeductible penalty tax of 10%.

❑ Leave Money In The Plan.

You may leave your money in the plan if you have an account balance over \$1,000 and defer your benefits distribution until a later date. By leaving your money in the plan, your account is still considered "active" and you will continue to access your account through the telephone hotline and website. You will also receive ongoing plan information, account statements and any required minimum distribution of benefits checks after age 72.

- **Partial Payments.** You may request a partial distribution of your account two times a year. If not rolled over to an IRA or eligible retirement plan, an automatic 20% withholding will apply.
- **Ongoing Installments.** With a vested account balance of \$20,000 or more, you may also request ongoing monthly, semi-annual or annual cash installments from the plan for up to 30 years. When you choose an ongoing installment, you will also elect whether to withhold 10% from your installment for payment of taxes.

If you request a partial payment or ongoing installments and have not reached age 59½, a 10% additional nondeductible penalty tax may also apply.

❑ Automatic Cash Out If Balance Is \$1,000 Or Less.

If your vested account balance in the Parkland Supplemental Retirement Plan is \$1,000 or less, you are required to take a distribution of your vested benefits. You can roll over your balance to an IRA or another qualified plan, or the distribution will be made directly to you.

Note: A \$20 processing fee will be deducted from your distribution (other than any installment payments). A \$10 processing fee will be deducted from each installment payment.

VESTING OF PARKLAND MATCHING CONTRIBUTIONS

You own (meaning you are 100% vested in) your contributions (before-tax, Roth after-tax, after-tax, rollover and part-time mandatory contributions) immediately. You gradually become vested in the Parkland matching contributions each year as shown in the vesting chart below.

Years of Vesting Service That You Complete	Vested Percentage
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6 or more	100%

Regardless of your service, you become 100% vested in the matching contributions and associated earnings upon total or permanent disability, death while employed or retirement on or after your normal retirement date (age 65).
